# We Are The Same Yet We Are Different

There are no words to express the gratitude that we have for those individuals who have guided us and helped to make our years in Carmel worthwhile. Many of us have had the opportunity of knowing Mrs. Truran. She has been our teacher, but she has also been many other things besides. She has been a listener, a counselor, and most of all a friend to us. We will never forget the time and effort that she has given to each one of us; and we will always remember this person who really cared, not just for her own students, but for every other student that she encountered.

With all our love and gratitude the Class of 1969 dedicates this yearbook to one of the world's truly beautiful people — Mrs. Suzanne Truran.

Letters from our Foster Child: Theodoras Gorlas

New Outdoor Bulletin Board  
Newly formed G.O. Booster Club

The General Organization became a more active group than ever this year with an eager slate of officers which were under the very capable leadership of Chris Mooney. The G.O. was the leader of student participation, whether it was getting nine bus loads of students to travel to the Ellenville football game, sponsoring sports assemblies for each athletic season, or trying to get students concerned with the Biafran situation by having a guest speaker directly from Biafra. To list all of the accomplishments of the G.O. this year would border on the impossible, since they are so numerous. The organization has attempted to establish unity through various activities for the entire student

body. The headlines of this movement were the newly established dress up and dress down days, the organization of the Booster Club for athletic events and the adoption, by the student body, of a Greek foster child, Theodoras Gorlas. Lasting memories for this G.O. will be the Spring Carnival and the endless discussions before the style of the new school banner was chosen. Perhaps the greatest accomplishment for the school was the purchase of the outside activity bulletin board which will stand for many years as a remembrance of the G.O. Yes, it will be many years before Carmel will forget the G.O. of '68-69.

to one of my most  
unforgettable

I can hardly express  
the privilege of it, I've been having  
you for my teacher & friend. It's only  
regret is that I didn't take the time to prob-  
ably deeper into your inner self. I've found exactly  
what you're looking for. Have you ever considered  
Jesus Christ & His plan for your life? His peace &  
love are genuine & lasting. Try Him.  
I owe you the greatest thanks for trying to understand  
me & develop my personality. I know that many other  
people will benefit from their encounters with you.  
I'll never give up or lose hope. You'll be in  
my prayers, thoughts & conversations often.  
I hope we're together 100 years from  
now! I wish you all the  
very best.  
As ever,
